Board Report
2017 Annual General Meeting
Presented on behalf of the Board by
Keith Rankin

Welcome to this the 12th Annual General Meeting of TBNZ.

It was with sadness but significant gratitude we thank Marion Gunn for her great work on the Board. The Board advised members in March of Marion's resignation from the Board. Marion was appointed to the Board in 2005 at the inception of TBNZ, and her drive and commitment to the Board and to our sport is acknowledged. We will greatly miss her dedication to the role of Board member. We thank Marion knowing that she will continue to be involved in our sport in other ways. Thank you very much Marion.

Last November Stephen Penny was appointed to the Board as our Sponsor Centre Representative. Stephen's appointment strengthens the communication link between our sport and the Sponsor Centres.

We have also welcomed two new Board members in the past few months, being Joel Crack and Allan Heald. Joel has made a decision not to stand for election; I thank him for his drive and enthusiasm during the short time he has been on the Board.

Belle our CEO continues her energetic drive in the administration of our sport. Belle continues to dedicate many hours which the Board appreciates and thanks her for.

The Board has met the requirement in the constitution to have three meetings during the year. Outside the meetings The Board keeps in contact via email and continues to work effectively with Belle and the management of TBNZ.

The past year has been busy. Reviews have taken place across the policies and job descriptions to ensure they continue to meet the requirements of our sport.

I would like to take this opportunity to especially thank my fellow Board members and the Management Team for the skills they bring and their dedication to Tenpin Bowling New Zealand. We need to continually remind ourselves that our sport is managed by volunteers who dedicate considerable time in administering and promoting the Sport of Tenpin Bowling. Their contribution is very much appreciated.
